EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Robert Hulse on October 13, 2005.

The application has been amended as follows:

IN THE CLAIMS:

In claim 5, line 1, --A cooling apparatus for-- has been inserted after "a personal computer".

In claim 6, line 1, "personal computer" has been changed to --cooling apparatus--.

In claim 7, line 1, "personal computer" has been changed to --cooling apparatus--.

In claim 8, line 1, "personal computer" has been changed to --cooling apparatus--.

In claim 9, line 1, "personal computer" has been changed to --cooling apparatus--.

The above changes to claims 5-9 have been made because the applicant originally claimed a fan assembly and in the amendment claimed a personal computer.

Response to Arguments

Applicant's arguments, see remarks paragraphs 5-7, filed 9/29/2005, with respect to the inner face of the housing for a fan and the chassis for a computer both having a matching inner concave shape have been fully considered and are persuasive. The rejection of claims 4 has been withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
